Comments	<p>A group of students at the University of Maryland will begin crowdfunding to sequence the genome of <i>Marsilea vestita</i> starting June 1 (9:00 AM). Please visit launch.umd.edu to donate or to get more information.</p> <p>This effort will only last 1 month.</p> <p>If you can pass this along, that would be greatly appreciated !</p> <p>Additional information can be found at: launch.umd.edu</p>

My enquiry is about none of the above
